Our production warehouse can be transformed with lights, draping and furniture to turn it into a chic industrial setting perfect for events.

A portion of the warehouse can be booked as a semi-private area screened off from other guests when available

TASTING ROOM

The original bar of our brewery sits adjoining our beer garden and warehouse.

A perfect room for a cocktail party, meeting or combined with other spaces.

THE BREWERY & TASTING ROOM

Combine our main event spaces for a larger scale party. Whether you want seats for everyone or want to encourage guests to move about, we can set the right vibe. Bring in a DJ, games or your favorite band!
